We also charge a case management fee of £45 per sale or purchase but only if completion takes place, a bank transfer fee of £30, and an ID check fee of £30 on each client, a photocopying fee of £18 and an archiving fee of £18 all of which will be shown in a written quote for prior approval.

We charge £75 for completing a typical Stamp Duty Land Tax Return and £50 for a source of funds check, provided it can be carried out within the typical timeframe (30 minutes).

Please note the following:-

Value Added Tax ('VAT') is payable on top of all these quoted fees.

These conveyancing fees are based on a corresponding amount of time to see a typical matter through to completion at an hourly rate of £250 + VAT per hour unless any extraordinary complexity, skill, time, importance, speed or special circumstance applies such as arranging legal indemnity insurance or addressing a title defect, for which a separate quote would be provided for your prior approval; please telephone us for confirmation of our fees and we will check for you. If you can provide a note of a lower conveyancing quote we will try to match it, without compromising on our speed and attention to detail.
